The most extraordinary discovery in the World is the Grat Arabian Remedy for man and Beast. H. G. FARRELL'S

CELEBRATED ARABIANLINIMENT IT IS A FACT ESTABLISHED and well known that the Arabians attained a height in the knowledge of medicine which caused the whole world to wonder and admire. With them the science of chemistry had its birth, and it is, therefore, not at all strange that a people so eminently successful in the healing art, and so persevering and during in character, should, by actual and untiring experiment, discover remedies far surpassing in efficiency all others, for the cure of those diseases incident to them from their mode of life. The greater part of their time being spent in hazardons and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, par, alysis, neuralgic pains, and various inflammatory diseases, as also the most horr d wounds, sprains, bruises, tumors-swellings, diseases of the joints, etc., etc. All these diseases they were so surprisingly edicient in curing, that the unin-itiated looked with wonder and attributed their skill to the powers of magic. H. G. FARRELL'S ARABIAN LINI-MENT is a composition of balsams and oils, from rare plants peculiar to this country, and it was by the use of the articles composing this great remedy that not only their physicians, but even the wild Arabs of the desert were enabled to per-form such miraculous cures. The Arab steed is world-re nowned for his heautiful symmetry of form, his unsurpassed speed and agility, and the incredible fatigue he is capable of enduring. Why is it? Because from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, tistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Frrrell's Genuine Arabian Liniment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will

Look out for Counterfeits! The public are cautioned against another counterfeit which has lately made its appearance, called W. B. Farrell' Arabian Limiment, the most dangerous of all the counter feits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the sparious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No.

Extract from a letter from F. M. Cory, to H. L. Stewart, Eq., No. 137 Second Street, New York. SPARTA, June 30, 1849. Dear Friend Stewart:- I have been home now just two months. When I last saw you I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Carchalagua I got a dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are af-

flicted with a cough or diseased lungs. I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case.
Your sincere friend, F. M. CORY.

Bleeding at the Lungs Cured! 137" SEE HOW PROMPTLY IT ACTS! _659 Statement of Mr. A. Lang, Baker, No. 388 Pearl street, N. Y.—A few days before last Christmas I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homorpathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my cough was gone, and I felt well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the proprietors, March 12th, 1850.]
